Jemez Springs to Cuba, this area may be squirrely because of terrain. Also, working on access for some of the Pueblos in that area, will let you know if they want to play in an hour or so. Tomorrow is last day, no push back from state.

Warren

☐ Markj Thomas---07/01/2011 04:07:02 PM---warren, What areas do you want us to fly on 2 July 2011.
